ABOUT ME

A passionate and detailed-oriented Computer Science graduate with a strong foundation in Front-End. Skilled in object-oriented design, data structure and problem solving with hands-on experience through academic projects and personal coding practice. Eager to begin a career in the IT industry, contribute to innovative software solutions, and continuously grow as a developer in a dynamic team environment.

EDUCATION

2023 – 2026

Bachelor of Science (B.Sc) in Computer Science

St. Joseph's College (Autonomous), Tiruchirappalli-02

INTERNSHIP EXPERIENCE

**WebGapp Website
Designers, Madurai**

May 2025 – June 2025

Intern – Front-End Web Development

Built multi-page responsive websites using HTML, CSS, Bootstrap, and JavaScript. Designed dynamic UI elements and page animations using Tailwind CSS and React. Implemented registration forms, success pages, and “Back to Home” navigation features. Managed version control using GitHub. Learned client-centered design principles and modern development workflows.
